Feedback from Students

“I hope the rehab bus could provide evening service.”

“I’m deeply impressed by the care & consideration shown by other CU students.”

“I usually ride on the rehab bus to classes. The driver is very attentive & thoughtful.”

“I hope there could be tactile guide paths outdoors.”

“I hope CU can install automatic doors at the entrance of main buildings to facilitate access by disabled students.”

“The CUHK campus is carefully designed & there are ramps within short distances along the pavement which is very convenient for us.”
